**CONSULTANT'S PROFILE – BHASKAR D C**

## Consultant's Profile

### **Bhaskar Deb Chowdhury**

- Project Management Professional (PMP®), PMI Inc.
- PRINCE2® Practitioner, APMG® UK
- Microsoft® Certified Technology Specialist (MCTS®)
- Microsoft® Certified IT Professional (MCITP®)
- Microsoft® Certified Trainer (MCT®)

Bhaskar is an Information Technology Professional with over ten (10) years of work experience and extensive exposure to Learning & Development. He also possess rich exposure in interacting, working closely with Top level management on mission critical project management initiatives to drive implementation of project management tools and techniques for achieving organizational goals.

He is an extraordinary trainer and a gifted communicator who can clarify traditionally difficult topics without losing any of the richness that simplification can bring. His key skills include assisting participants to relate skills they learn during the training to workplace environment. He specializes in creating content specifically targeting the real-life project management scenarios & how to respond to the issues associated with them.

As a Project Management Consultant, Bhaskar excels in providing project management support services to industry verticals like IT/ITeS, Telecom, Energy, Power, Steel, Manufacturing, Pharmaceuticals & Government sector just to name a few. He has been successfully applying core Project Management Principles based on PMI's Project Management Body of Knowledge (PMBOK®) to deliver the Microsoft® Project based Consulting, Training & Support Solutions for medium and large corporations. He possesses strong skills in Oracle® Primavera and has conducted several batches on how to manage projects efficiently using this software.

As a Project Management Consultant at KnowledgeWoods Consulting, Bhaskar works closely with senior management to identify gaps, suggest roadmap and drive implementation of best practices project management solutions to achieve organizational goals.

In addition to developing and delivering cutting-edge training courses for Project Planners, Project Managers, Program Managers, Senior Executives & Team Members, Bhaskar also plays the role of Principal Consultant in deploying Microsoft® Enterprise Project Management (EPM) Solution across the organization.

His programs are noted for being fun, interactive, energizing, and their hands-on approach. He delivers engaging and interactive classroom and live online trainings.

Bhaskar puts a lot of emphasis on participant-centered learning and empowers learners by developing both their generic and subject-specific skills by ensuring a bidirectional communication during his training/consulting interventions.
