CONSULTANT'S PROFILE – RAJEEV KUMAR

Consultant's Profile

Rajeev Kumar – B.E., PGDBM, PMP®, ITIL®, Six Sigma Green Belt, Senior Trainer

Rajeev Kumar is a seasoned Telecom/Information Technology Professional with over Thirty (30) years of overall work experience and extensive exposure in:-

- Program Management
- PMI's Guide to Project Management Body of Knowledge (PMBoK®)
- Large Account Management
- Customer Service
- OGC's ITIL® based Best Practices in IT Service Management
- Requirement Gathering & Analysis
- Standardizing Project Management/Information Technology Processes in a Multinational/Multicultural Environment
- Service Level Agreement (SLA) Management
- Working with project teams from diverse cultural environments across India

With over 15+ yrs (out of overall 30+ Years) in Project /Program Management across various MNC's and Indian Companies, Rajeev specializes in creating & delivering content specifically targeting the real-life business scenarios & how to respond to the key issues associated with them.

During his stint with organizations like Reliance Communications, Avaya Global Connect, Philips India etc., he was responsible for end to end ownership of tasks like Pre-sales discussions, Creation of scope of work by involvement of all stakeholders and customer, Cost finalization/Budget Deliberation and Approval , Creation of WBS structure, Identification and discussions with Functional Managers for allocation of resources, Preparation of Project plan and agreement of milestones, Risk planning and mitigation, Activity Sequencing, Project Execution, Communication to all stakeholders on Project Progress, Regular reviews and Change Controls, Migrations and acceptance & ensuring Formal Project Closure.

As a matter of choice, he chose to start working as a Project Management Consultant & Project Management Professional - PMP® Mentor/Trainer with KnowledgeWoods. Initially, he handled corporate trainings followed by public workshops for PMP® Certification. His experience as a project manager allows him to relate PMP® Preparation topics to real-life work environment.

In addition to PMP® Program training delivery, Rajeev contributes extensively in design & development of customized training program for project management competency across industry verticals.

As a Project Management Consultant, Rajeev works closely with senior management to identify gaps, suggest roadmap and drive implementation of Best Practices in Project Management to achieve organizational goals.

Rajeev puts a lot of emphasis on participant-centered learning and empowers learners by developing both their generic and their subject-specific skills by ensuring a bidirectional communication during his training/consulting interventions.

His recent international assignment includes 3 PMP® batches at USAID Kabul, Afghanistan.
